Choose The Right Pipe For The Job: PVC Pipe and PE Dual Wall Pipe From Northern Pipe Products

Northern Pipe Products (NPP) combines the highest grade materials, precise, highly automated machinery and advanced technology to produce the best, most uniform products that the industry has to offer.

Meeting Standards And Exceeding Expectations

- NPP manufactures pipes that match the exacting standards that you need to meet to do your job. Whether it's a large project or a small repair, NPP pipes go above and beyond to ensure that the job gets done right.

PVC Pressure Pipe / PVC Sewer Pipe

Superior Pipe For Superior Results

- NPP PVC pipes are made from the highest quality compounds and packed with the features necessary to handle almost any job, from water distribution to sewer to drainage.

PE Dual Wall Pipe

Lasts Longer With Fewer Problems

- Made from the finest PE resin, PE Dual Wall pipe is manufactured to tight quality standards. The integrated bell and spigot design adds stability to the bell. It is available in your choice of seal.

Check with your local DOT to obtain and verify local specifications.

**Jobs get done faster and last longer when they
use Northern Pipe Products from DSG!**
