Michael Stone is a graduate of Eastern Oregon University, with a degree in Business & Construction Management and Computer Science. His expertise lies in business management solutions and computer software programs for the residential construction industry. Michael does fee arbitration, expert witness and neutral evaluations on construction related issues throughout the U.S., and is available as a coach and consultant for small business.

Michael Stone

“One of the biggest issues today for most contractors is attracting new business. This session will help you focus your advertising and be more profitable.”

Michael Stone
